**PLAINTIFF'S SUPPLEMENTAL NOTICE OF NEWLY DISCOVERED

**AND SUPPLEMENTAL DECLARATION IN SUPPORT OF MOTION FOR PARTIAL
SUMMARY JUDGMENT AND REQUEST FOR SANCTIONS**

COMES NOW Plaintiff Corey Michael Switzer, pro se, and hereby submits this Supplemental Notice of Newly Discovered Evidence and Supplemental Declaration in support of his pending Motion for Partial Summary Judgment (filed May 28, 2026) and Request for Sanctions.

This filing introduces: (1) newly discovered records produced by the Washington State Attorney General's Office confirming that Defendant Stacey Harman received extensive PRA training; and (2) a renewed analysis of the existing record—specifically the January 9, 2026 retroactive retainer email (Exhibit P-Unredacted) and Harman's January 12, 2026 resignation—which

together establish a coordinated scheme to mislead the State Auditor and conceal the unlawful expenditure of public funds.

I. PROCEDURAL POSTURE & PRELIMINARY STATEMENT

1. On June 11, 2026, Plaintiff submitted multiple Public Records Act requests to Asotin County, including PDR 2026-06-11-06, seeking records of PRA/OPMA training for County officials. (Plaintiff Supplemental Notice, Exhibit 7, filed June 11th, 2026)
 2. The County failed to produce responsive records in a timely manner, instead providing unreasonable estimates exceeding 100 days. (Plaintiff Motion for Compliance with Public Records Act, filed June 24th, 2026, Exhibit 11 to Plaintiff's Second Supplemental Notice, filed June 24th, 2026)
 3. On or about July 15-16, 2026, the Washington State Attorney General's Office produced records in response to Plaintiff's requests (PRR-2026-0558 and PRR-2026-0565). These productions included attendee lists, certificates of completion, and training records for Asotin County officials—including **Stacey Harman**, the former Clerk to the Board of Commissioners who issued the unlawful denial of PDR 25-23 and made false statements to the State Auditor.
 4. These newly discovered records are material and relevant to the issue of bad faith under *Yousoufian v. Office of King County Executive*, 168 Wn.2d 444, 467 (2010).
-

II. THE NEWLY DISCOVERED EVIDENCE – STACEY HARMAN'S PRA TRAINING

5. On August 31, 2022, Stacey Harman completed "PRA University - Legal Update," earning 1 Category C credit from WAPRO and 1 General CLE credit from the WSBA. (Exhibit A).
 6. On December 21, 2022, Stacey Harman completed another "PRA University - Legal Update," earning 1.5 Category C credits from WAPRO and 1.5 General CLE credits from the WSBA. (Exhibit B).
 7. On September 21, 2022, Stacey Harman completed "PRA University - Exemptions Webinar," earning 1 Category B credit from WAPRO and 1 General CLE credit from the WSBA. (Exhibit C).
 8. On August 23, 2023, Stacey Harman attended "PRA University - Legal Update August 2023." (Exhibit E).
 9. On March 26, 2025, Stacey Harman attended "PRA University - The PRA Puzzle." (Exhibit F).
 10. On September 4, 2025, Stacey Harman attended "PRA Legal Update - September 2025." (Exhibit D).
 11. These records confirm that Stacey Harman was trained on the PRA—including its exemption requirements, segregation obligations, and fee structures—on **at least five separate occasions** between 2022 and 2025. She was not an untrained official acting in good faith; she was a trained Clerk who knew—or should have known—the law.
-

III. THE RETROACTIVE RETAINER SCHEME (EXHIBIT P-UNREDACTED) AND HARMAN'S ROLE

12. On **December 16, 2025**, Plaintiff filed a formal complaint with the Asotin County Board of Commissioners and the State Auditor's Office (SAO Hotline Case H-25-795) regarding the unlawful expenditure of public funds for Judge Brooke Burns' personal legal defense first by Asotin County Prosecutor Curtis Liedkie and Asotin County Coroner Lisa Webber, before being represented by Amanda Daylong.

13. On **December 31, 2025**, Stacey Harman responded to the State Auditor's Office, stating: *"As of today, no funds have been expended for this purpose."* (Exhibit L to the Complaint). This statement was **materially misleading** and, as the record now shows, part of a coordinated strategy to conceal the County's financial obligations.

14. On **January 9, 2026**, Amanda Daylong—the County's special deputy and private counsel—sent an email to Chris Kemp and **Stacey Harman** (Exhibit P-Unredacted) stating:

"Chris and Stacey - I think it's time to get legal counsel involved. Anticipating Switzer's next moves, if/when I respond (on letterhead), he's going to then object on the basis of expenditure of public funds. If not approved already, we should get a retainer agreement and fee schedule together for the Board of Commissioners to take up at the next meeting and approve. The agreement can cover an annual "not to exceed" clause, which would ensure that we are cleared regarding Switzer's potential objections to a case by case basis that we are trying to infringe on his citizen rights."

15. This email is direct evidence that, **at the very moment Harman was making statements to the State Auditor**, the County was actively planning to backdate a retainer agreement to retroactively justify expenditures that had already been incurred. The

December 31 statement was not a mere oversight; it was a carefully crafted falsehood designed to mislead the Auditor while the County worked to fabricate a paper trail.

16. On **January 12, 2026**, Stacey Harman resigned from her position as Clerk to the Board of Commissioners. The timing is not coincidental. Harman resigned **three days** after the retroactive retainer email proposal was sent and **twelve days** after making her false statement to the State Auditor. Her resignation is a classic badge of consciousness of guilt.

IV. LEGAL SIGNIFICANCE – BAD FAITH AND THE FALSE STATEMENTS

17. **The "Good Faith" Defense Is Unavailable.** Under *Yousoufian*, the Court considers whether the agency acted in bad faith. The fact that Harman—a trained official—made a false statement to the State Auditor, participated in the retroactive retainer scheme, and then abruptly resigned is overwhelming evidence of bad faith.
18. **RCW 9A.76.175 – False Statement to a Public Servant.** Harman's December 31, 2025 statement to the State Auditor was materially false. While she claimed "no funds have been expended," the County had already entered into a \$325/hour fee agreement with Amanda Daylong on July 10, 2025 (Exhibit F to the Complaint). The County had already obligated public funds. The statement was false when made, and the January 9 retroactive retainer email proves that the County knew it was false and was actively attempting to cover it up.
19. **The Crime-Fraud Exception Applies.**
- a.) The retroactive retainer email (Exhibit P-Unredacted) constitutes prima facie evidence of a scheme to backdate documents and conceal the unlawful expenditure of public funds. Under *Dietz v. Doe*, 131 Wn.2d 835, 843 (1997), the attorney-client privilege does not protect communications made in furtherance of a crime or fraud. This email, and all

related communications, are subject to disclosure.

b.) The retroactive retainer email itself, were it to be authentic, is evidence of a statutory violation by Amanda Daylong of the same Code preventing Curtis Liedkie, Lisa Webber from representing Judge Brook Burns by independent appointment by the prosecutors office, triggering the same crime-fraud exception Under *Dietz v. Doe*, 131 Wn.2d 835, 843 (1997), the attorney-client privilege does not protect communications made in furtherance of a crime or fraud.

20. Harman's Resignation Is Evidence of Consciousness of Guilt. Under Washington law, a party's subsequent actions—including resignation—may be considered as evidence of consciousness of guilt. *See State v. Gentry*, 125 Wn.2d 570, 617 (1995) (subsequent acts may be admissible as evidence of consciousness of guilt). Harman's resignation on January 12, 2026, three days after the retroactive retainer email, is a fact that the Court may consider in evaluating the County's bad faith.

V. REQUEST FOR RELIEF

Plaintiff respectfully requests that the Court:

1. **Consider this Supplemental Notice and Declaration** in connection with Plaintiff's pending Motion for Partial Summary Judgment and Request for Sanctions;
2. **Find that the newly discovered evidence**—specifically, Stacey Harman's extensive PRA training records, the January 9, 2026 retroactive retainer email, and the timing of Harman's resignation—establishes bad faith and knowing violations of the PRA;
3. **Award maximum statutory penalties** under RCW 42.56.550(4) based on the County's bad faith;

4. **Order the production** of all records related to the retroactive retainer agreement, including metadata for Exhibits F and G;
 5. **Refer this matter** to the Washington State Attorney General's Office for investigation of potential criminal violations, including false statements to a public servant under RCW 9A.76.175.

DATED this 17th day of July, 2026.

Respectfully submitted,

Plaintiff respectfully requests that the Court take judicial notice of the following documents already on file in this action:

These documents, read together with the newly discovered training records and the chronology of Harman's resignation, establish a prima facie case of bad faith, fraud, and obstruction of justice.

Dear Corey Switzer,

This correspondence is to update you on your public records request. You requested the following:

****Subject:**** *Public Records Request – PDR 2026-06-11-03 (Personnel Files of Key Officials – Kemp, Harman, Seubert, Shinn)*

****Date:**** *June 11, 2026*

****To:**** *Chris Kemp, Chief Operating Officer
Asotin County
ckemp@asotincountywa.gov*

****Cc:**** *Amanda D. Daylong (ADaylong@nwtrialattorneys.com)
Tammy Bolte (tbolte@nwtrialattorneys.com)
Public Disclosure (PDisclosure@asotincountywa.gov)*

Introduction

Pursuant to the Washington Public Records Act (PRA), Chapter 42.56 RCW, I hereby request the production of personnel records, including but not limited to performance evaluations, disciplinary records, training records, and any complaints or investigative files related to certain Asotin County officials who have been central to the County's response to my public records requests and the underlying dispute regarding the use of public funds to defend Judge Brooke Burns.

The following individuals are the subject of this request:

- ****Chris Kemp**** – Chief Operating Officer of Asotin County. Mr. Kemp has been the primary point of contact for my PRA requests, has communicated directly with the State Auditor's Office regarding the expenditure of public funds, and was the recipient of the January 9, 2026 email from Amanda Daylong requesting a "retroactive retainer agreement."
- ****Stacey Harman**** – Former Clerk to the Board of Commissioners and Human Resources Specialist. Ms. Harman initially denied PDR 25 23 on June 4, 2025, stating that no funds had been expended for Judge Burns' defense. She later resigned. Her personnel file is directly relevant to whether her statements were made in good faith or as part of a pattern of concealment.
- ****Chris Seubert**** – County official who repeatedly forwarded my emails (including my legal correspondence to the Idaho State Bar and RICO allegations) to other county officials without any apparent county business purpose, as documented in the CSV manifest (Exhibit C in Switzer v. Asotin County, No. 26 2 00027 07). His conduct raises questions about the use of county resources to surveil and share my private communications.
- ****Brian Shinn**** – Asotin County Commissioner, District 1. Commissioner Shinn has been copied on numerous communications regarding the misuse of public funds and has participated in meetings (including the December 22, 2025 Zoom meeting documented in Exhibit P) discussing the County's response to my SAO complaint and PRA requests.

*Personnel records are public records subject to disclosure under the PRA, with only limited redactions for specific, narrowly defined privacy interests. *RCW 42.56.250(3)* (personnel records generally subject to disclosure); *Limstrom v. Ladenburg*, 136 Wn. App. 831, 842 (2007) (personnel files are not categorically exempt; agency must show specific privacy interest outweighs public interest).*

Records Requested

*For the period from **January 1, 2023, through the present (June 11, 2026)** , please produce the following records for each of the individuals listed above (Chris Kemp, Stacey Harman, Chris Seubert, Brian Shinn):*

*1. **Complete personnel files**, including but not limited to:*

- All job applications, resumes, and hiring documents.*
- All position descriptions and classification records.*
- All performance evaluations, annual reviews, or supervisor assessments.*
- All records of promotions, demotions, transfers, or changes in job duties.*
- All records of compensation, including base salary, overtime, bonuses, and any other remuneration.*

*2. **All disciplinary records**, including but not limited to:*

- Any written or oral reprimands, warnings, or counseling memoranda.*
- Any suspensions, reductions in pay, or terminations (including voluntary resignations in lieu of discipline).*
- Any investigative files or reports concerning alleged misconduct, including but not limited to violations of the Public Records Act, Open Public Meetings Act, misuse of public funds, or failure to comply with ethical duties.*
- Any records of complaints filed against these individuals by citizens, employees, or oversight agencies, including the Washington State Auditor's Office, the Washington State Attorney General's Office, or the Public Records Exemption Accountability Committee.*

*3. **All training records** related to:*

- The Public Records Act (RCW 42.56), including any training certificates, attendance logs, or testing records for PRA compliance.*
- The Open Public Meetings Act (RCW 42.30).*
- Ethics and conflicts of interest (RCW 42.23, RCW 42.52).*
- Any remedial training assigned as a result of PRA or OPMA violations.*

*4. **All records of communications** between these individuals and the Washington State Auditor's Office (SAO) concerning SAO Hotline Case H 25 795 or any other matter related to the expenditure of public funds for legal defense of Judge Brooke Burns, including any internal notes or draft statements prepared for submission to the SAO.*

*5. **For Stacey Harman specifically** (given her resignation), any records relating to her separation from employment, including:*

- Any resignation letter or notice.*
- Any separation agreement, severance agreement, or release of claims.*
- Any exit interview records.*
- Any records of potential discipline that may have led to her resignation.*

*6. **For Chris Seubert specifically** (given his forwarding of my emails as documented in Exhibit C), any records relating to:*

- The purpose and scope of his email monitoring or forwarding activities.*
- Any policies governing the forwarding of citizen correspondence to third parties.*
- Any training on the handling of public records requesters and the prohibition against retaliation under RCW 42.56.550(4).*

This means that the Attorney General's Office will not further address the request, and that is the date from which the Public Records Act's one-year statute of limitations to seek judicial review starts to run.
