## Government Ethics Complaint Form

**Please enter government ethics complaint information below::**

I was assaulted by Troy Munstermann at Travelland RV on September 8th, 2020.

I reported it to the proper authorities.

I also reported claims of embezzling, tax evasion, fraud and extortion.

None of the claims were investigated properly.

I have redressed my complaint with the City of Lewiston Police Department, Commander Jeff Klone who stated that it was the Nez Perce County Prosecutors Office who declined to press charges.

Good morning, Corey: This confirms receipt of your online submission to the Idaho State Bar regarding your request to file complaints ("grievances") against the Nez Perce County Prosecutor's Office and the City of Lewiston Police Department. Unfortunately, the Idaho State Bar cannot process grievances against the entire Nez Perce County Prosecutor's Office; rather, we can process grievances against individual licensed Idaho attorneys within the Nez Perce County Prosecutor's Office. I have attached a grievance form if you wish to pursue filing a grievance(s). Please note, we will need a grievance form for each individual attorney.

As to filing a grievance against the City of Lewiston Police Department, unfortunately, that is not within the jurisdiction of the Idaho State Bar. Thank you for your understanding in this regard.
