I. EXECUTIVE SUMMARY

Plaintiff Corey Michael Switzer, pro se, respectfully requests that this Court refer the following matter for criminal investigation and prosecution, and appoint a Special Prosecutor due to the incurable conflict of interest within the Asotin County Prosecutor's Office.

This referral is based on evidence already in the record demonstrating a coordinated scheme by Asotin County officials to:

1. **Misuse public funds** to defend Superior Court Judge Brooke Burns in a personal-capacity civil rights action;

2. **Create a sham "Special Deputy" appointment** to launder taxpayer money through the Prosecutor's budget;
 3. **Make false statements** to the Washington State Auditor's Office (SAO);
 4. **Obstruct public records requests** under the PRA;
 5. **Retaliate against a whistleblower** through defamation threats, social media blocking, and coordinated surveillance.

VIII. CONCLUSION

The evidence establishes probable cause that Curtis Liedkie, Lisa Webber, Chris Kemp, Stacey Harman, Amanda Daylong, Brian Shinn, Chris Seubert, and Charles Whitman engaged in a coordinated scheme to misuse public funds, obstruct justice, and retaliate against a whistleblower.

The Asotin County Prosecutor cannot investigate or prosecute this matter because he is a target. Only a Special Prosecutor can restore public confidence and ensure accountability.

Plaintiff respectfully requests that the Court:

1. **Grant this Criminal Referral;**
 2. **Appoint a Special Prosecutor** from the Attorney General's Office or an adjacent county;
 3. **Order the Special Prosecutor to investigate and prosecute** all criminal violations identified herein;

Subject: URGENT: Cross-State Corruption Cover-Up in Lewiston & Clarkston - Request for Immediate Publication

Dear Mr. David Walk,

I am writing to provide critical evidence of coordinated corruption spanning Lewiston, ID, and Clarkston, WA—directly impacting judicial integrity, public transparency, and taxpayer resources. Our shared goal of exposing governmental abuse demands urgent attention to these interconnected issues.

Key Facts: Cross-State Corruption Scheme

1. **Idaho Obstruction**:

- **Lewiston Mayor Dan Johnson** dismissed documented police misconduct claims (2023), blocking accountability for alleged bribery/RICO violations.
- **Nez Perce County** imposed an \$8,733.12 fee to obstruct IPRA records revealing conflicts involving:
 - Prosecutor Justin Coleman (IRPC 1.7 violations).
 - Attorney Trae Turner (privilege fraud post-withdrawal).
 - Incoming Commissioner Patricia Weeks (preemptive evidence suppression).

2. **Washington Retaliation**:

- **Judge Brooke Burns** (Asotin County Superior Court) blocked me on Facebook after I questioned if Mayor Johnson's actions constituted obstruction of justice (*March 27, 2025*).
- **Illegal Representation**: Prosecutor Curtis Liedkie and Coroner Lisa Webber used public funds to defend Judge Burns in my WA Supreme Court case (#1040806), violating:
 - **RCW 36.27.020** (prosecutors barred from private practice).
 - **RCW 36.24.170** (coroners barred from legal practice).
- **Cover-Up**: Asotin County withheld records proving misuse of funds (PDR 25-23), falsely citing "attorney-client privilege."

The Connection

- My inquiry to Judge Burns about **Lewiston's corruption** triggered retaliatory censorship and an illegal defense scheme funded by WA taxpayers.
- Both states' officials are colluding to suppress evidence:
 - **ID**: Inflated IPRA fees to hide prosecutor conflicts, ethics violations, police department bribery by a former City Council Member Tim Krueger, tax evasion by Tim Krueger
 - **WA**: Misuse of public offices to shield judicial misconduct, obscure conflict of interest between Asotin County Prosecutor Curtis Liedkie and Nez Perce County Commissioner Hannah Liedkie

Demand for Action

Publish this story to:

1. Expose Mayor Johnson's obstruction and Nez Perce County's IPRA fraud.
2. Reveal Judge Burns' unconstitutional censorship and Asotin County's illegal representation scheme.
3. Demand investigations into:
 - Misuse of funds (WA State Auditor, Asotin County Commissioners).
 - Ethics violations (Idaho State Bar, Washington State Bar Association, WA Commission on Judicial Conduct).

Attached Evidence

1. **WA Supreme Court Petition** (Case #1040806): Proof of Judge Burns' censorship.
2. **Asotin County's Illegal Representation**: Withdrawal notices, statutory violations, and cover-up attempts.
3. **Nez Perce County IPRA Obstruction**: Fraudulent fee estimate and waiver denial.

****Time is critical****: Judicial hearings and commissioner appointments (e.g., Patricia Weeks) threaten to bury evidence. I will provide full cooperation for interviews/documents.

As the local news outlets have a vested self-interest in NOT publishing anything for their biggest source of revenue, and given your history on reporting the stories that greatly impact the community, I am giving you "dibs" on an investigation and interview, Mr. Walk, which will certainly impact the public in exposing cross State weaponization and corruption of the Judicial, Legislative and local executive roles between Lewiston and Clarkston.

To those CC'd, you're welcome to petition those government officers mentioned in this email for the same information.

Respectfully,

Dear Public Disclosure Officer and Asotin County Officials,

Pursuant to the Washington State Public Records Act (RCW 42.56), I hereby submit a formal request for all records related to my complaint regarding the unauthorized expenditure of public funds for the legal defense of Judge Brooke Burns and the subsequent failure of the Asotin County Board of Commissioners to respond to said complaint.

This request is submitted in light of the Board's failure to meet the January 7, 2026 deadline for compliance and is intended to ensure transparency regarding the County's internal handling of this matter.

Requested Records:

All emails, memos, meeting minutes, text messages, instant messages, notes, letters, draft communications, and any other written or electronic records—whether held by the Board of Commissioners, the Asotin County Prosecutor's Office, the County Clerk, the Coroner's Office, or any other county department or employee—that relate to the following:

1. Complaint H-25-795 & Related Correspondence:

- Any communications referencing, discussing, or responding to my formal complaint submitted on December 16, 2025, and subsequent follow-ups, including the email chain dated December 30, 2025, and January 6, 2026.
- Any internal discussions regarding whether to place the complaint on a public meeting agenda.

2. SAO Investigation (SAO Hotline Case H-25-795):

- Any communications referencing the Washington State Auditor's Office investigation into the use of public funds for Judge Burns' defense.
- Any discussions regarding cooperation with, response to, or strategy related to the SAO audit scheduled for Fall 2026.

3. Public Records Request PDR 25-23:

- Any communications regarding the withholding of the email referenced in PDR 25-23, including discussions about attorney-client privilege, redaction, exemption logs, or the decision not to release the record.

4. Legal Defense of Judge Brooke Burns:

- Any records discussing the engagement of the Asotin County Prosecutor's Office or any other county resource in the defense of Judge Burns in *Switzer v. Hon. Brooke Burns* (WA Supreme Court Case #104,080-6).
- Any communications regarding the hiring or payment of NW Trial Attorneys or any other private counsel in relation to this matter.

5. Withheld Records & Exemption Logs:

· Any exemption logs, privilege logs, or internal justifications for withholding records in response to any of my public records requests, including but not limited to PDR 25-23.

Timeframe:

From June 1, 2025, through the present date (January 7, 2026).

Format:

Electronic format is preferred. If records are withheld in whole or in part, please provide a detailed exemption log as required by RCW 42.56.210(3).

Response Deadline:

Under RCW 42.56.520, I expect a response within five (5) business days acknowledging receipt of this request and providing an estimated timeline for production.

This request is submitted in the interest of governmental transparency and accountability. Your prompt and lawful compliance is required.

Subject: URGENT: Request for Immediate Suspension of Curtis Liedkie (ODC File No. 25-00667)

Dear WSBA Disciplinary Counsel,

I write to formally request the immediate suspension of Curtis Liedkie based on incontrovertible evidence of statutory violations in **Switzer v. Hon. Brooke Burns** (Supreme Court Case #104,080-6). The facts are unambiguous:

****I. Direct Violations of Washington Law****

1. ****Unauthorized Representation (RCW 36.27.020)****

- Mr. Liedkie, in his capacity as Asotin County Prosecutor, represented Judge Brooke Burns **in her judicial role** using public resources.

- ****Admission****: Attorney Amanda Daylong confirmed the withdrawal of the "Asotin County Prosecutor's office" (July 9, 2025 email).

- ****Violation****: Prosecutors are barred from private practice under RCW 36.27.020(3).

2. ****Misuse of Public Funds (RCW 42.20.010)****

- No evidence exists of legislative approval for taxpayer-funded representation of Judge Burns.

3. ****Enabling Unauthorized Practice (RCW 36.24.170)****

- Mr. Liedkie directed Coroner Lisa Webber (statutorily barred from legal practice) to act as a "legal administrative assistant" in this case.

****II. Evidence Already in WSBA's Possession****

- Your office acknowledged receipt of these violations in ****ODC File No. 25-00667**** (July 16, 2025).

- Attached to prior submissions:

- Daylong's withdrawal confirmation (July 9, 2025).

- Commissioner minutes showing Webber's illegal contract approvals.

- Supreme Court filings listing Webber on service documents.

****III. Required Action****

Per ****ELC 3.1(c)****, the WSBA must act when misconduct "poses a substantial threat of serious harm to the public." Given:

1. Mr. Liedkie's disregard for statutory boundaries,

2. The misuse of public office and funds,

3. The ongoing risk to judicial integrity,

****I urge the immediate interim suspension of Curtis Liedkie's law license**** pending full disciplinary proceedings.

****Conclusion****

The public interest demands swift action to uphold the integrity of our legal system. I trust the WSBA will prioritize this matter with the urgency it requires.

Respectfully,

****Corey Michael Switzer****

Dear WSBA Disciplinary Counsel and Concerned Parties,

I am writing for yet ****ANOTHER time**** to demand immediate action regarding ODC File No. 25-00667, which documents egregious misconduct by Curtis Liedkie, Asotin County Prosecutor. Despite my prior communications (****July 17, 2025****, and ****August 12, 2025****) and overwhelming evidence of statutory violations, the WSBA has failed to:

1. Issue an interim suspension of Mr. Liedkie's law license, or

2. Provide any public update on this urgent matter.

****Unaddressed Violations (Documented in ODC File No. 25-00667):****

1. ****Unauthorized Representation (RCW 36.27.020)****

- Mr. Liedkie used public resources to represent Judge Brooke Burns in **Switzer v. Hon. Brooke Burns** (Supreme Court Case #104,080-6), violating prohibitions against private practice.

- ****Proof****: Amanda Daylong's withdrawal email (July 9, 2025) confirms the Asotin County Prosecutor's Office's involvement.

2. ****Misuse of Public Funds (RCW 42.20.010)****

- Taxpayer funds were illegally allocated for Judge Burns' defense without legislative approval.

3. ****Enabling Unauthorized Practice (RCW 36.24.170)****

- Coroner Lisa Webber (statutorily barred from legal practice) was directed by Mr. Liedkie to act as a "legal administrative assistant."

****Critical Timeline of Inaction:****

- ****July 16, 2025****: WSBA acknowledged receipt of ODC File No. 25-00667.

- ****August 13, 2025 (TODAY)****: No suspension, investigation update, or public statement has been issued.

****Formal Demand:****

Per ****ELC 3.1(c)****, the WSBA ****must**** act when misconduct poses a "substantial threat of serious harm to the public." The ongoing disregard for statutory law, misuse of public office, and erosion of judicial integrity necessitate:

◆◆ ****IMMEDIATE INTERIM SUSPENSION of Curtis Liedkie's law license**** pending full investigation.

****Attachments (Previously Submitted):****

1. Daylong's withdrawal confirmation (July 9, 2025).
2. Commissioner minutes documenting Lisa Webber's unlawful contract approvals.
3. Supreme Court filings listing Ms. Webber on service documents.

The continued silence from the WSBA undermines public trust and signals complicity in allowing unchecked misconduct. I expect ****written confirmation of action**** by ****5:00 PM on August 15, 2025****. Failure to respond will compel further escalation.

Respectfully,

****Corey Michael Switzer****

Dear WSBA Disciplinary Counsel and Concerned Parties,

I am writing to follow up on my prior communication of ****July 16, 2025**** (ODC File No. 25-00667), urgently requesting the immediate suspension of Curtis Liedkie, Asotin County Prosecutor. Despite the overwhelming evidence of statutory violations submitted, no action appears to have been taken to address this critical threat to public trust and judicial integrity.

Key Violations Remain Unaddressed:

1. ****Unauthorized Representation (RCW 36.27.020)****

- Mr. Liedkie used public resources to represent Judge Brooke Burns in **Switzer v. Hon. Brooke Burns** (Supreme Court Case #104,080-6), directly violating prohibitions against private practice by prosecutors.

- **Evidence**: Amanda Daylong's withdrawal email (July 9, 2025) confirms the Asotin County Prosecutor's Office's involvement.

2. ****Misuse of Public Funds (RCW 42.20.010)****

- Taxpayer funds were unlawfully allocated for Judge Burns' defense without legislative approval.

3. ****Enabling Unauthorized Practice (RCW 36.24.170)****

- Coroner Lisa Webber (statutorily barred from legal practice) was directed by Mr. Liedkie to act as a "legal administrative assistant" in this matter.

Critical Timeline:

- ****July 16, 2025****: WSBA acknowledged receipt of ODC File No. 25-00667.

- ****August 12, 2025 (Today)****: No interim suspension or public update has been issued, despite ELC 3.1(c) mandating action when misconduct poses "substantial threat of serious harm."

Demand for Immediate Action:

Given the ongoing risk to public interest and legal integrity, I reiterate my demand for the ****immediate interim suspension of Curtis Liedkie's law license**** pending full investigation.

Attachments (Previously Submitted):

1. Daylong's withdrawal confirmation (July 9, 2025).
2. Commissioner minutes documenting Lisa Webber's unlawful contract approvals.
3. Supreme Court filings listing Ms. Webber on service documents.

The community's faith in our legal system hinges on your swift response. I trust the WSBA will act decisively to uphold the law.

Respectfully,

Hello Corey,

Due to the CJTC's jurisdictional limits, my review of your complaint will focus on the alleged retaliatory turning off of Facebook comments on a post on the Asotin County Sheriff's Office's Facebook page after you commented alleging criminal conduct by certain public officials of Asotin County. The rest of your complaint, the people you cc'd below, the case you have in Columbia County Superior Court, any potential federal cases in the Eastern District, and any documents on those matters are outside of our jurisdiction and so are not applicable.

Please be advised that anything outside of this narrow scope will not be reviewed or addressed. Thank you for your understanding.
